“Never Would Have Made It”

NEVER WOULD HAVE MADE IT Marvin Sapp

Never would have made it. never could have made it. without you
 I would have lost it all. but now I see how you were there for me
 And I can say.
 Never would have made it. Never could have made it.
 Without you
 I would have lost it all.
 But how now I see how you were there for me and I can say
 I'm stronger. I'm wiser. I'm better. much better.
 When I look back over all you brought me thru.
 I can see that you were the one that I held on to
 And I never. Never would have made it
 Oh, I never could have made it
 Never could have made it without you
 Oh, I would have lost it all. oh but now I see how you were there for me
 I never. Never would have made it
 No, I never. Never could have made it without you
 I would have lost my mind a long time ago. if it had not been for you.
 I am stronger. I am stronger
 I am wiser. I am wiser
 Now I am better. I am better
 So much better. I am better
 I made it thru my storm and my test because you were there
 to carry me thru my mess
 I am stronger. I am stronger
 I am wiser. I am wiser
 I am better. I am better
 Anybody better. I am better
 I can stand here and tell you I made it. Anybody out there that you made it
 I am stronger. I am stronger
 I am wiser. I am wiser
 I am better. I am better
 Much better. I am better
 I made it. I made it. I made it.
 I made it. I made it. I made it.
 And I never would have made it. Never would have made it
 Never could have made it. Never could have made it without you
 I would have lost my mind. I would have gave up. but you were right there.
 You were right there
 I never. Never would have made it
 Oh, I never. I Never could have made it without you
 Someone need to testify next to them and tell them
 I am stronger, I'm wiser. I am better. much better.
 When I look back over what he brought me thru. I realize that I made it
 Because I had you to hold on to.
 Now I am stronger. now I am wiser. I am better.
 So much better. I made it. Is there anybody in this house other than me
 That can declare that you made it.
 Tell your neighbor. never would have made it
 Never would have made it. never could have made it
 Never would have made it. Never would have made it
 Never would have made it. Never could have made it without you.
 Never could have made it. Never could have made it without you.
